Dear Mr. Phelps,

Enclosed please find a category sheet for you to complete and return. I have also enclosed a copy of the docket sheet of your complaint.

I am also in receipt of your letter regarding payment of the filing fee. I do not know if you are aware that the filing fee for cases in the United States District Court has increased to \$250.00. This change was effective February 7, 2005.

Sincerely,

Kathy Hassett
